

Employee Technical Sales (m/f/d)

VELOMAT Messelektronik GmbH based in Kamenz is a medium-sized company. For over 30 years, we have been your contact when it comes to specialised questions relating to measurement electronics and sensor technology. We supply national and international customers and also offer customised solutions, which we can realise from prototype to series production thanks to our in-house development and production.

Your tasks

- Customer support in the office and in the field
- Technical customer advice
- New customer acquisition
- Calculation and quotation preparation
- Managing and maintaining the customer and prospect database
- Participation in trade fairs

Your experiences

- Completed training as an electrical engineering or electronics technician (m/f/d)
- Ideally knowledge of ERP systems, e.g. Microsoft NAV
- Experience in the technical and commercial sales environment
- Knowledge of various MS Office programmes
- Written and spoken English
- Good analytical and conceptual skills, strong customer orientation and flexibility

Your benefits

- Varied activities and thorough familiarisation
- Responsibility and interesting tasks
- Professional and personal development opportunities
- Permanent employment contract
- Attractive salary
- Performance-related bonus payments
- Company pension scheme
